### Accreditation conditions

Accreditations will be issued to those persons with a professional interest in visiting the festival. A maximum of three accreditations per institution or company is permitted. Please note that an accreditation form must be filled in for each applicant. With the accreditation, tickets may be obtained free of charge from the festival cinema box offices for all film programmes of the festival. In case a screening is sold out no seat can be claimed.

The final **deadline for accreditation is 6 April 2010**. Applications received after 6 April 2010 will not be processed before the festival starts. It will be possible to get accredited on site.

The accreditation fee amounts to 30€/ 40€ (after expiration of the deadline) and includes a festival catalogue. The fee is payable only in cash on receipt of the accreditation in the Guest Office (Filmgalerie Phase IV, Königsbrücker Str. 54, 01099 Dresden). The press accreditation costs 20€/ 30€ (after expiration of the deadline).

The accreditations will be issued from 20 April 2010 onwards in the Guest Office. The accreditation is not transferable.

### Hotel Reservation

By request, the film festival can arrange a room reservation in one of its partner hotels (reservation is subject to availability of the hotel at the time of booking). The hotel room rates are based on special festival conditions (all listed prices are per room/night incl. breakfast) and have to be paid by the guests (separate conditions apply to filmmakers of the festival competitions and special programmes).

The **deadline for hotel reservations is 6 April 2010**. In case the application is received after 6 April 2010 or the form is not completely filled in, a reservation can not be guaranteed. Cancellations have to be made until 9 April 2010. After the expiration of the deadline, the reservation is obligatory.

Should you wish to make a reservation, please fill in the appropriate section of the accreditation form. In case guests make their own reservations in the below-mentioned hotels, they have no claim on rooms at the rates arranged by the festival.
